Programme Title

SSE Engineering Craft Apprenticeships

Programme Structure

Job Description

Thinking about life after school or perhaps a change in career? Maybe you enjoy fixing things or prefer being outdoors and doing hands-on practical work? Or perhaps you are looking for an opportunity to learn a new skill?

Our Apprenticeship Programme offers you the chance to earn whilst you learn new skills and gain valuable work experience and qualifications. Trainees on our Apprenticeship Programme are provided with the opportunity to achieve a Modern Apprenticeship qualification and a City & Guilds Technical Certificate (or SVQ in Scotland). The programme can take up to 4 years to complete and is centred on work based learning and training linked directly to the job.

Wage

Approx £10,000 a year (yearly increases)

Qualifications Achieved

Duration

Up to 4 years

Summary

You will be supported throughout the programme by a mentor, our Apprentice Programme Manager, your SSE colleagues who you'll work with during your on the job training and also by the support you will receive from your college tutors. The majority of our apprentices attend college on a block release arrangement for several weeks at any one time; this will mean you may have to live away from home for short periods of time but we will support you fully, during this time

Career Progression

Entry Qualifications

English, Maths and a science or technological subject at National 4 or 5

Personal Skills

You just need to have an interest in the work we do at SSE, an appreciation of our core values, particularly safety and the desire to do well.
